

HAND T

Hand T is a broad spectrum, pink, anti-microbial neutral liquid hand soap with tea tree oil. It combines excellent microbial killing with residual properties. Product pH undiluted is between 5.50 - 6.50.

Dilutions

Use undiluted. Wet hands, apply product and lather, ensure all areas of the hand and wrist are covered. Rinse with warm water. A hand sanitizer may be used as added protection. Can also be used as a Showergel.
